

Consent to Use of Tax Return Information

Eagle Eye Tax Solutions

("we", "us" and "our")

(Printed name of tax preparer)

Federal law requires this consent form be provided to you ("you" refers to each taxpayer, if more than one). Unless authorized by law, we cannot use, without your consent, your tax return information for purposes other than the preparation and filing of your tax return.

You are not required to complete this form. If we obtain your signature on this form by conditioning our services on your consent, your consent will not be valid. Your consent is valid for the amount of time that you specify. If you do not specify the duration of your consent, your consent is valid for one year.

For your convenience, we have entered into an arrangement with University National Bank ("BANK") to provide qualifying taxpayers with the opportunity to apply for refund processing services offered by BANK. To determine whether these services may be available to you, we will need to use your tax return information by analyzing it and calculating the amount of your anticipated refund.

If you would like us to use your tax return information to determine whether these services may be available to you while we are preparing your return, please sign and date this consent to the use of your tax return information.

By signing below, you (including each of you if there is more than one taxpayer) authorize us to use the information you provide to us during the preparation of your 2012 tax return to determine whether to present you with the opportunity to apply for refund processing services from BANK.
